Dear traders,

Woohoo! The second Shepton Sunday Market is this weekend! We are all set for Sunday 28 July. The market is open to the public between 10:00-15:00.

Please find the attached:

- Pitch Plan for Sunday 28 July
- Market directions map
- a social post that you can share on your socials to let your customers know you'll be joining us

Don't forget to spread the word: tag us in any posts / stories and we can reshare them (@SheptonMalletSundayMarket).

You will find your pitch area and number on the Pitch Plan. Please check it carefully, determine which section of the market you will be trading in, and note your set-up time. The address for the market is: Market Place, Shepton Mallet, BA4 5AZ.

Please be aware that vehicular access to the market is very limited, so you must stick to your allocated time slot. You may drive your vehicle onsite (except Town Street traders - see below), then you'll need to unload and remove your vehicle, before returning to set up your stall.

All traders (except Regal Way traders) will access the market via the entrance to Great Ostry Carpark, from Rectory Road (B3136). Regal Way traders will access the market via Paul Street (A361). When you arrive, follow the signs to your trading area (M traders, H traders, T traders, G traders, R traders). You will see our wonderful stewards in purple tabards who are ready to help you.

If you have requested electricity, ask one of our stewards and they'll show you where to plug in. If you have reserved a gazebo, it will be set up ready and waiting for you.
