

!! CONTAINS IMPORTANT INFO, PLEASE READ IN FULL !!

Dear traders,

Trading times: 10:00-15:00.

You will find your pitch area and number on the Pitch Plan. Please check it carefully, determine which section of the market you will be trading in, and note your unload time slot.

Getting on-site

Please be aware that vehicular access to the market is **very** limited. We had a number of late arrivals to the last market, which affects the smooth set up of the whole event. **Please stick to your allocated time slot and don't be late!!** You may drive your vehicle onsite (except Town Street traders - see below) within your allocated time-slot, then you'll need to remove your vehicle, before returning to set up your stall.

All traders (except Regal Way traders) will access the market via the entrance to Great Ostry Carpark, from Rectory Road (B3136). Regal Way traders will access the market via Paul Street (A361). When you arrive, follow the signs to your trading area. You will see our wonderful stewards in purple hi-vis who are ready to help you.

Allocated unload time slots (please arrive and unload, ONLY during these times)

Market Cross

M1-M5:	7:00-7:20
M6-M13:	7:20-7:40
M14-M21:	7:40-8:00

Enter Great Ostry Carpark and follow the road around until it opens onto the Market Square. Turn left and locate your pitch.

High Street H1-H20: 8:00-8:45

Enter Great Ostry Carpark and follow the road around until it opens onto the Market Square. Follow the road to the right and locate your pitch.

Town Street T1-T20: 8:00-8:30

Town Street is fully pedestrianised, so there is no vehicular access to the street at all. There are two pedestrian entrances onto Town Street from Great Ostry Carpark. There is a loading bay that you can use whilst unloading your stock, then carry or wheel it onsite, via one of two pedestrian alleyways (check pitch plan for the alleyway closest to your pitch).

Regal Way R1-R8: 8:00-8:45

Regal Way is located to the side of the Art Bank on High Street. Access to this will be via Regal Road, off Paul Street.

Post-Market Allocated load time slots

15:00-15:45	Town Street traders load
15:45-16:15	High Street traders load
16:15-17:00	Market Cross traders load
15:00-15:45	Regal Way traders load

Electricity / Gazebos / Equipment etc

If you have requested electricity, one of our stewards will show you where to plug in. You must bring your own electrical equipment, we do not provide it. If you have booked a gazebo, it will be set up ready and waiting for you. We have no tables available, so please ensure you bring everything you need.

Carparks

Once you've unloaded your vehicle, please move it to the car park before setting up your stall. Please also note that the short-stay area of Great Ostry car park is only one hour's free parking, so don't leave your vehicle here.

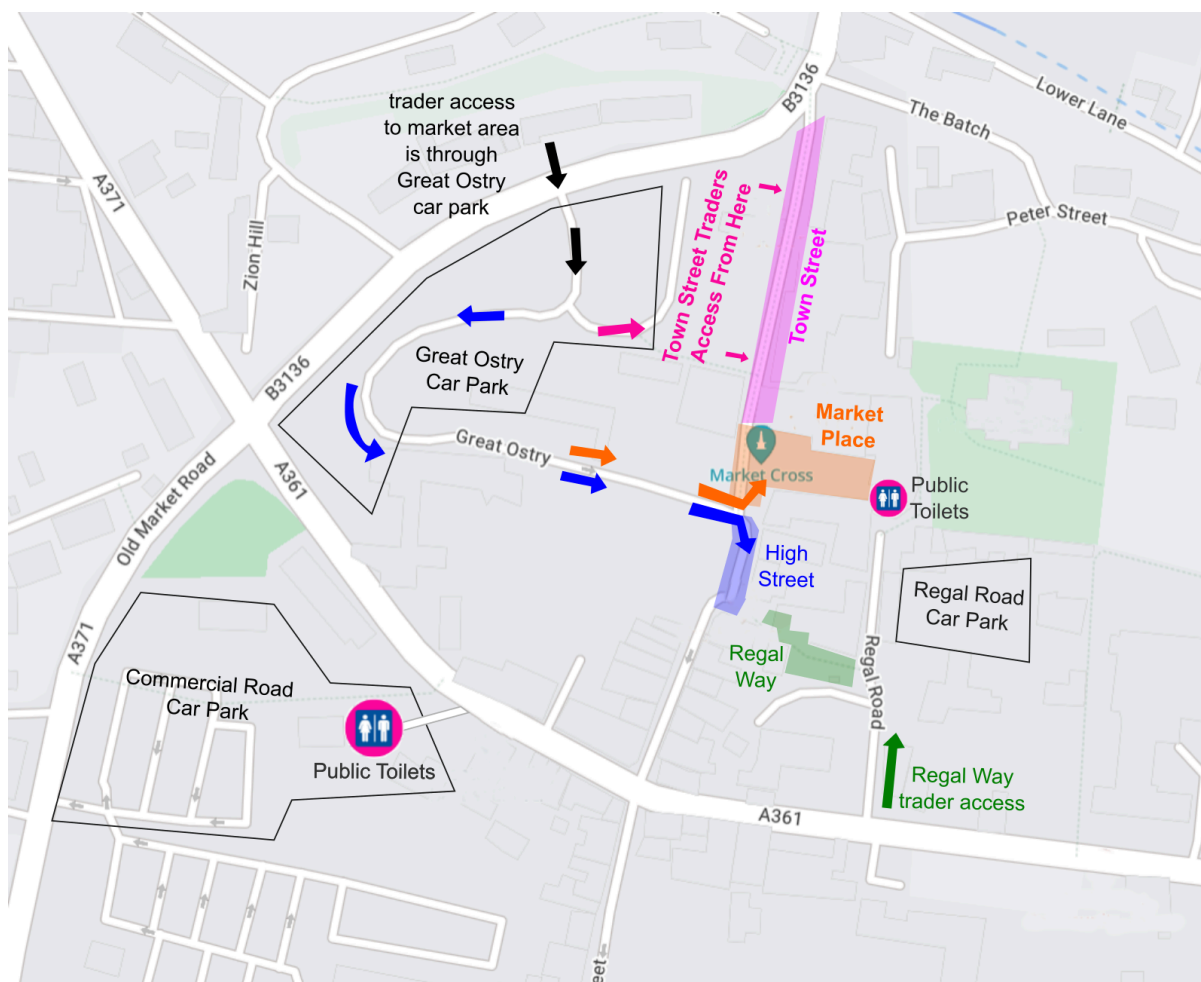

Contacts

The address for the market is: Market Place, Shepton Mallet, BA4 5AZ. Emails to hello@sheptonmalletsundaymarket.org.uk will be picked up until Sat 27 July. Any issues on market day, please telephone the market manager.

Market Manager:	Charlie Bolderow	07751 950499
First Aid:	Claire Goodman	07411 189739

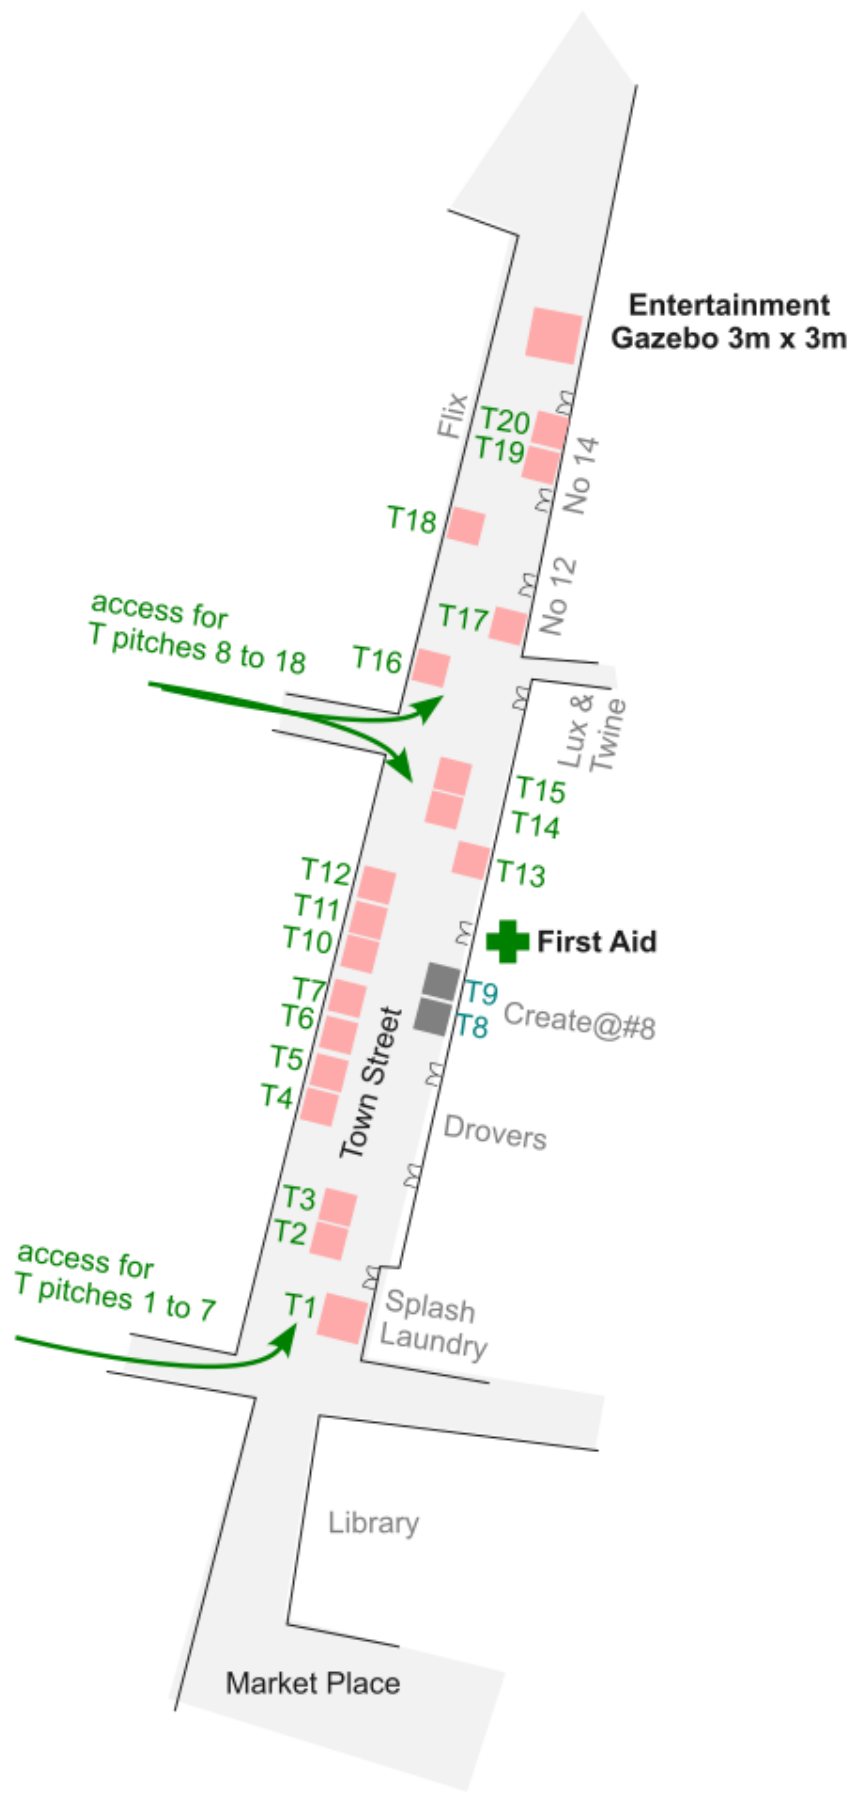

Don't forget to spread the word: tag us in any posts / stories and we can reshare them (@SheptonMalletSundayMarket).

Best, Charlie and the markets team.
